

**SATURDAY JUNE 20, 2020, 9:00 pm**

**10 km Virtual race open to all**

***We'll give you the space, you choose the race***

The virtual race will take place on Saturday, June 20, 2020. Departure time: from 8.30 p.m. to 9.00 p.m.

**General Information:**

- Participation is open to everyone.
- Registration is available online directly via the TDS circuit on the website ENTERNOW.IT until 1:00 pm on Saturday, June 20, until race numbers are exhausted (**maximum number of participants: 2000**).
- Registration is individual, using the runner's existing username, or, for those not registered, with a new username created at tds.sport or enternow.it. The username will serve to access the GPS tracking app.
- A few days before the race, the athlete will receive all the necessary information to download the GPS tracking app to install on their device, as well as instructions for proper use.
- On race day, the athlete should participate by bringing their smartphone with the GPS tracking app. During the race time start period, the athlete will activate the app and begin to run. Movements will be traced in real time and sent to TDS. At the end of the determined distance the app will automatically stop.

**Please Note: given that the app uses location monitoring, using it must be voluntary and the athlete must sign a privacy agreement.**

- The race is 10 km in length, and only outdoors (no treadmills) with respect to the rules imposed by the Ministerial Decree of May 18th, 2020, and with respect to the rules of the Street Codes for pedestrians.
- maximum time 1h30

**Registration Fee:**

Number (virtual) : € 7

Number and Asics Athletic Shirt : € 15

**Shirts will be sent after the event beginning on Monday, June 22, 2020, to the address indicated on the athlete's registration.**

**Included Services:**

- Registration publication on **tds.sport** and the possibility for proof of participation;
- Registration confirmation e-mail including rules and regulations;
- Digital race bib number;
- Communication regarding the event and app use instructions;
- Fans will be able to follow the race from home to cheer on their friends and relatives virtually;
- Publication of results in real time (keeping the range of start times in consideration), with anticipated splits every kilometer;
- Results sent via mail to each athlete;
- At the end of the event, a personal participation certificate.
